

Honor friends and family with a commemorative 'book spine' in the library

Now is the perfect time to honor family and loved ones with a **Friends of the Folsom Library** "book spine". Designed to look like spines of books, these beautiful mini plaques are permanently mounted in the Folsom Public Library.

Wouldn't a "book spine" be the perfect thank you for your child's teacher or organization leader?

You can choose from two attractive styles: wood and ceramic:

Wood spines, displayed near the adult reading room, are finely carved and can be inscribed with **two** lines of engraving. Available with a donation of \$150 or more to the general fund.

Ceramic spines, displayed near the children's reading room, are individually hand-painted, and can be inscribed with **one** line of hand-lettering. Available with a donation of \$150 or more to the general fund.
